## SHARP Launches Navy HIV Instructor Course

Technical Manual NEHC 6100.99-9, *Navy HIV Instructor Course*  
Now Available On-Line

Your NEHC is excited to published a new self-study course designed to provide Navy HIV Instructors with an understanding of Navy HIV policies. The course, a prerequisite for certification as a Navy HIV Instructor, is now available for downloading from your SHARP website.

Topics covered include:

Sexual Health and Responsibility Program

Rationale for the Navy HIV Policies and Procedures

Personnel Policies Regarding Accessions, Reassignment, Retention, Separation, Testing, Notification of Commanding Officers

Medical Testing

Medical Evaluation

Effects of AIDS on the Military

Risk Factors in the Military Population

Global Distribution and Subtypes of HIV

Military Educational Programs

Recommended Immunizations for HIV+ Adults and Adolescents

Guide for Commanding Officers and Officers In Charge of HIV Infected Members

**To complete this course**, download it from your SHARP homepage (or request a hardcopy from NEHC SHARP), answer the end of course test, and send your answers in an e-mail to [macdonaldb@nehc.med.navy.mil](mailto:macdonaldb@nehc.med.navy.mil) (or fax/ send hardcopy to your NEHC SHARP).

If you haven't already done so, please **register** as a Navy HIV Instructor by completing the on-line form at your SHARP homepage!
